

ICTS Mathematics Colloquium

Title : Primes and more

Speaker : Kalyan Chakraborty, Harish-Chandra Research Institute,
Allahabad

Date : Wednesday, September 18, 2019

Time : 3:30 PM

Venue : Emmy Noether Seminar Room, ICTS Campus, Bangalore

Abstract : I will begin by introducing prime numbers and then look into various types of interesting primes and some outstanding conjectures about them. I will talk about the current status of these conjectures. Large primes are in big demand in cryptosystems relating to information security. I will also look into some popular 'numbers'. This is a popular talk and will be accessible to all.
