

## ICTS Seminar

**Title** : Research in Germany

**Speaker** : Manjula Mundakana (German Consulate Bangalore)

**Date** : Monday, 04 November 2024

**Time** : 2:30 PM (IST)

**Abstract** : Germany is leading destination for Indian students. At present there are close to 50,000 Indian students enrolled at various German Universities. Germany has close to 400 Universities spread well across the country and offers a great opportunity for international students to study without tuition fee. Germany also boasts a vibrant research landscape with over 1000 publicly funded research organisations. The R&D funding in Germany is 3% of countries' GDP and amounts to roughly 105 Billion Euros and employs over 4 Lakh research staff. This offers great opportunity for Indian researchers be it at the doctoral or postdoctoral level to pursue research. There are a number of German and European funding lines to support the research stays.

**Venue** : Emmy Noether Seminar Room
